

**ALABAMA SURFACE MINING COMMISSION
P.O. BOX 2390
JASPER, AL 35502-2390**

ANNUAL REPORT

For mine sites extracting coal pursuant to an approved exemption for the extraction of coal incidental to the extraction of other minerals.

PART I

County of Operation: _____ Exemption Number: _____

Name of Operator: _____

Address: _____

City: _____ State: _____ Zip: _____

Contact Person: _____

Telephone: _____

Identify by type (e.g. clay, shale) all minerals other than coal produced from the exemption site: _____

PART II

A. On what date (month, day, year) did coal extraction commence within the approved exemption area?

B. On what date (month, day, year) did the extraction of minerals other than coal commence within the approved exemption area?

C. Enter the earlier of the above dates as the beginning date for reporting cumulative production: _____

D. Place an X by the date that represents the last day of the calendar quarter during which **coal** extraction commenced at this exemption site:

March 31_____, June 30_____, September 30_____, December 31_____

This is your ending date for reporting purposes.

PART III

ANNUAL PRODUCTION INFORMATION

Provide the following information for the 12-month period ending with the ending date referenced in Part II D above:

A. Number of tons of coal extracted: _____

B. Number of tons of coal sold: _____

Total revenue derived from these sales: _____

- C. Number of tons of coal used or transferred (but not sold): _____
Estimated total fair market value of this coal: _____
- D. Number of tons of coal stockpiled: _____
- E. Number of tons of other minerals extracted: _____
- F. Number of tons of other minerals sold: _____
Total revenue derived from these sales: _____
- G. Number of tons of other minerals used or transferred (but not sold): _____
Estimated total fair market value of these other minerals: _____
- H. Number of tons of other minerals stockpiled: _____

PART IV

CUMMULATIVE PRODUCTION INFORMATION

Provide the following information for production occurring since commencement of mining within the extraction area (Part II, C) and your ending date for annual reporting purposes (Part II, D):

- A. Number of tons of coal extracted: _____
- B. Number of tons of coal sold: _____
Total revenue derived from these sales: _____
- C. Number of tons of coal used or transferred (but not sold): _____
Estimated total fair market value of this coal: _____
- D. Number of tons of other minerals extracted: _____
- E. Number of tons of other minerals sold: _____
Total revenue derived from these sales: _____
- F. Number of tons of other minerals used or transferred (but not sold): _____
Estimated total fair market value of these other minerals: _____

CERTIFICATION STATEMENT

“I certify under penalty of law that this document and any attachment were prepared by me or at my direction and the information submitted is, to the best of my knowledge, true and complete. I am aware that there are significant penalties under the law for submitting false information to the Commission, including fines and imprisonment for knowing violations.”

Print or Type Name of Responsible Official

Signature of Responsible Official

Date: _____

ATTENTION: This report must be filed with the Alabama Surface Mining Commission no later than 30 days after the end of each annual 12-month reporting period.
